EXPLORE NSHSS partnership opportunities to ACCESS, empower, and ENGAGE with the next generation of leaders.

NSHSS members are high-achieving academic performers who, along with their families, are engaged and eager to learn more about unique opportunities available to them inside the classroom as well as in the professional world. Our partners help provide these opportunities to NSHSS members as a means to give back to their communities through the form of scholarships, networking and educational events, internships and more — while also identifying top talent among young individuals and increasing their brand awareness.
DEMOGRAPHICS

NSHSS is a distinguished, international academic honor society recognizing the highest achieving student scholars in more than 24,000 high schools across 170 countries. With more than 2 million lifetime members spanning from high school to college and career, NSHSS students are not only academically outstanding, but are leaders in their schools and communities around the globe.

PR MEDIA PLACEMENTS

NSHSS has enjoyed strong media recognition in recent years, seeing over 100 placements in 2021. Stories about NSHSS scholarship winners, surveys, events, and partner programs are featured in some of the nation's most respected and widely distributed national, regional, print, and broadcast media outlets. Publications welcome the uplifting stories about our support for young scholars and future leaders. Well-known reporters and editors also look to NSHSS President James W. Lewis and student leaders for op-eds, thought leadership, and advice around the issues affecting high school and college students today.

Partners who align with our brand benefit from this media exposure, and we welcome opportunities to collaborate on themed surveys, scholarships, or events that leverage newsworthy topics and occasions, such as National Mentoring Month, Earth Day, or Women’s History.
SOCIAL MEDIA

Partner content that utilizes NSHSS branding on average sees:

- 11% more impressions
- 13% more engagements

With this in mind, we ask that partners provide images created with the NSHSS brand guidelines in mind or provide raw images files our team can use to create images for these posts.

SOCIAL IMAGE GUIDELINES

Font:
For social media graphics, NSHSS utilizes the font Gotham Black or Gotham Bold in all capital letters.

Colors:

ANTIQUE RUBY
CMYK: C0 M76 Y65 K45
RGB: R140 G33 B49
WEB: #8C2131
PANTONE: 202 C

SUNBURST
CMYK: C0 M19 Y83 K14
RGB: R220 G179 B38
WEB: #DCB326
PANTONE: 117 C
Text Overlay:
Part of the NSHSS social media branding utilizes bars of color on images behind any text or copy on those images. These bars can be either our Antique Ruby or Sunburst, but an image should only utilize one color bar. Text should be white. Alternatively, bars can be white with Antique Ruby or Sunburst text.

Partner Logos:
Partner brand names can either be included as a part of the text overlay or as a logo. We recommend utilizing a solid, white logo as we find this performs better than the use of colors outside of the NSHSS brand color palette. However, this is not a requirement.
