UWA COURSES EXPLAINED

Undergraduate courses

- **Comprehensive degrees:** design your own course, choose one or two majors from a wide range, then add electives and/or a minor to suit your interests and career goals
- **Specialised degrees:** study an extended major with a carefully designed study plan to give you in- depth knowledge of your chosen career or profession
- **Integrated honours degrees:** advanced coursework and a major research or creative project in your final year
- **Combined bachelor's degrees:** complete two degrees in normally just four years
- **Combined bachelor's and master's degrees:** start advanced postgraduate-level studies in the third year of your bachelor's degree and complete two degrees in just four years

Postgraduate courses

- **Coursework:** study advanced subjects in a similar manner to studying for your undergraduate degree
- **Coursework and dissertation combined:** dissertation involves original research by the student under supervision
- **Research:** explore your passion or follow your interest in an area of research, learning alongside internationally recognised researchers

USA Financial Aid

When you submit your application to UWA, our Admissions team will automatically assess your eligibility for the Global Excellence Scholarship. Your offer letter will reflect the discount applied.

Scholarship information is current at the time of printing and is subject to change. Conditions may be amended without prior notice. Visit uwa.edu.au/study/global-excellence-scholarship for more information.

UNI LIFE AND SUPPORT AT UWA

UNI LIFE

Getting started

Take part in orientation activities, receive mentoring from an experienced student (UniMentor) and support from the UWA team to help you settle into university life.

Course advice

Advice on study plans, enrolment, scholarships, studying abroad, extracurricular activities and more.

Academic support

One-on-one support, study skills workshops (STUDYSmarter), extensive online resources and more.

International student support

Our dedicated support services will help you settle into Western Australia and UWA life.

UWA Student Guild

Run by students, for students, to make sure you have the best university experience possible.

UWA VIRTUAL TOUR

Featuring expansive green spaces, cafés and shops, as well as a multitude of modern teaching and research facilities, our campus provides you with a world-class learning environment.

Scan the QR code to see our beautiful campus for yourself through our online virtual tour.

SUPPORT

Disability support

Perform at your academic best with support for any disability, whether a physical or mental health condition. UWA can help, no matter if your condition is ongoing, temporary or episodic.

Health and wellbeing

Confidential medical, welfare and mental-health support with a variety of specialist services and a pharmacy on campus. If you're looking for a doctor or GP, there's a Medical Centre on campus, as well as counsellors, mental health nurses, psychologists, physiotherapists and more.

Mental health

If you're feeling worried, stressed or upset, reach out for support by dropping into The Living Room for a chat. You don't need to make an appointment - there's always someone available to listen and help.

Safety

A security team is on campus 24/7 and is available to walk you to your car, bus stop or UWA accommodation after hours.

STUDENT TESTIMONIAL

EMMA TURNER, DOCTOR OF DENTAL MEDICINE STUDENT

“The patient interaction is one of the many highlights of the Doctor of Dental Medicine course. Having clinical time at the Oral Health Centre of WA allows us to treat patients with a range of medical and dental conditions, while developing our communication, treatment planning, problem solving and technical skills to the benefit of their oral health.”

TOP RANKED SUBJECTS AT UWA (QS 2023)
